

2 FOR MOTORS ONLY: FIRST NEW TYPE ROAD BEGINS

What Lancashire thinks today, let's hope the country thinks

A model of tomorrow./ The proposed Road for motor-traffic only

will be fulfilled in the form of the Preston By-pass.

Bulldozers stood by for the signal of Hugh Molson, Joint

Parliamentary Sec., Ministry of Transport, and work on

the £3m project was inaugurated. ^{wo} Two years from now the job will be done.

The by-pass will be a dual carriageway, 8-and-a-quarter

miles long; no pedestrians, cyclists or horse-traffic

allowed. The kind of road the motoring age demands.
