YOUR BEACHWEAR: PARIS REVEALS SUMMER STYLES

No excuse for being bored on the beach. A swimsuit with ^{a matching} ~~radio~~ radio keeps your programme light when you've escaped from home service. The ~~amman~~ aerial's in the hat. Then again, if you want exercise, well the right girls in the right suits would put even the Haarlem Globetrotters ^{clean} ~~right~~ off their game. No doubt about it beachwear this year will have more variety and be smarter than ever before.

What a beautiful use for a lampshade. The moths can hardly wait for lighting-up ~~the~~ time.
