

SOVIET AVIATION DAY DISCLOSES AIR POWER

7

A vast crowd of Russians thronged the Tus~~l~~ino Airfield as a salvo of guns announced the start of the Soviet Aviation Day and Yak liaison aircraft flew over the assembled V.I.P.'s. bearing patriotic banners.

32

Member's of the American ^{BRITISH} and French airforces watched Yak trailers spell out slogans.

49

~~No sooner had they disapp~~ ^{WATERS A TRILL} Even while their vapour trails hung in the sky, groups of new MIG 17's ^{WE WENT} streaking across the airfield.

69

Then came the great bear as it's known, a giant turbo prop. bomber with two escorting fighters, leading ^{YET} more bears and closely followed ^{IN TURN} by twin jet Badgers with three of the great four jet Bisons in the rear.

98

It was a great day for the inseparable Russian leaders Bulganin, Khrushchev, Molotov and Malenkov, ~~even though the weather was unkind, but~~ ^{PROUD UNDOUBTEDLY OF THEIR TOP SECRET AIRCRAFT AS YET UNMAYED} the set piece landing by a fleet of helicopters was undoubtedly the highspot of the meeting especially when they disgorged ~~leaves~~ ^{SO MANY} field guns and troops like ^h trojan horses

It was a great day for the important
Russian leaders Bulgarian. Kuchkov
Molotov Malenkov even though
the weather was unkind, but
the set piece landing by a fleet
of helicopters was undoubtedly
the highlight of the meeting
especially when they disgorged
luminous field guns and troops
like a Trojan horse.
