

THE TOUR DE FRANCE :

The Tour de France is far and away the most popular cycling race in Europe. This year 120 competitors are taking part in it representing ten different nations. The starting signal was given at Rheims. The Tour de France will be run over a distance of 4,500 kilometres in 22 laps. The hardy competitors will be racing not only through France but also through Belgium and Italy. The Tour de France ends on July 28.
