

Continuation Car Race

---

Fangio established a new round's record with 141,2 km/h. In the last part of the race, some further cars had to withdraw, and finally only 6 cars reached the ~~min~~ butt.

First became Juan Manuel Fangio on Ferrari

Second was Stirling Moss on Maserati, ahead of Jean Behra, also on Maserati.

Thus Fangio is leading in the world's championship valuation with 30 points ahead of Collins and Behra, each with 22 points.
