

Sailing World's Championship of the Flying Dutchmen-Class exclusive

on the Starnberg-Lake near Munich

The competitors that want to gain the title of a world's champion in the Flying Dutchmen Class had to participate in 7 regattas. The course was 9,5 sea-miles long. On Saturday the 25th August, during the last regata, there raised a sudden storm which reached partly the a velocity of 10 . 20 of the 44 boats that had started for the regatta, capsized. Winner and world's champion became Rolf Mulka from Hamburg with his boat "Macky V". Second was Walter Berger from East Berlin, third Harald Kuehlinger from West Berlin.
