

MODEL PLANES GO TO TOWN

Famous test pilots Peter Bugge and John Cunningham were among judges at the All Britain Model Aircraft Rally. About 500 enthusiasts ~~men~~ brought their planes to Radlett. One pilot guided his Lincoln bomber. * This very popular hobby's now got a tremendous hold on the young in heart of all ages. To gain the front rank you ~~must~~ ^{have} to be quite ~~an engineer-cum-budding aircraft designer~~ an engineer-cum-budding aircraft designer. Even onlookers need terrific acceleration.

40

Radio control, like diesel engines, is taken as a matter of course at these rallies. ~~It's a wonderful~~ ^{spent} hobby. The model-genius of today maybe the Vulcan or Viscount designer of tomorrow.
