280

There was a Carnival just round the corner, so Torquay speedboats went on a ~~jauwk~~ carnival of their own. This sport is as exhilarating as a glass of champagne, and ~~itxxxxxgiasxxixkxk~~<sup>it</sup> seems that even a dog can enjoy it, if he can stay on.

Red Bank New Jersey held a speedbost race too ~~xx~~ ----- the fastest hydroplanes in America and Canada roaring along the Shrewsbury River in the National Sweepstakes Regatta. Sticking close together they sprint the straights at a mile a minute to break a world's redord. And on che turns they leap to disaster.~~to break their~~ Gosh --- he's alive.

~~Playing at~~ 35,000 spectators at the Everton - Sheffield match saw the home captain Dixie Dean break Steve Bloomers 22-year-old ~~record~~ <sup>scoring</sup> his 353<sup>rd</sup> goal in a League Match. Well done Dixie!
