

CHINESE FOOTBALLERS.

At last football is becoming really international and here are the
 Casuals entertaining the Chinese XI at Selhurst Park. Anybody
 who expected the English to make chop suey of their opponents was
 disappointed, for in the first half the score was one all. ^ In the
 second half the Chinese fell to ~~nine~~ pieces --- heap piecee --- ~~and~~
 a willow pattern plate hit by a broomhandle ^ Five
~~Five times like~~ like ~~old Ming vase~~ hit by ~~broom handle~~ ~~five~~
 times the high-born Casuals inserted honourable ball into the old
 pagoda, but guardian Ka-Ping-Pou maintained his smiling dignity
 to the end.

CRUISER LAUNCH.

When they launched a new 9,000-ton cruiser Sir Austen Chamberlain
 and Mr Hore Belisha were there. Mr Hore Belisha went down because
 he heard the Queen Mary had been doing over thirty. The ~~launching~~
 Lady Chamberlain, wife of Sir Austen, Performed the launching ceremony.

CONCOURS LEPINE.

The Concours Lepine is a show specially put on for people who
 invent things that don't do anything in particular. For instance,
 this is a bicycle and the inventor and his family travel inside it.
 When you get knocked down it doesn't hurt so much. On the other
 hand when you get knocked down you can't get up and starve to death,
 so what?
