

MODEL PLANES.

Barton Airport was the drome chosen for the Northern Rally of Aeromodellists, where all the latest types of aeroplane in miniature were taking off and landing. Both petrol driven and rubber driven models were sent up for flights, and they behaved with remarkable control in spite of the high wind which swept the airport --- sometimes reaching almost gale force.

CHESTERFIELD. POLICE PARADE.

Centenary of the Police was celebrated at Chesterfield with a parade in the Market Place. They were inspected by the Mayor, Councillor H.P.Short, and after a wreath was laid upon the Cenotaph they attended a service in Bradbury Hall.
