EARL OF JERSEY WEDDING.

~~Leaving his home for Chelsea Register Office~~ --- the Earl of Jersey
was ~~went~~ bridegroom in one of the most romantic weddings of the year.
His bride was Charlie Chaplin's leading lady --- the blind ^{girl} ~~maxima~~
of City Lights. ~~And here she is~~ --- lovely Virginia Cherrill.
~~Despite the attempt to keep the time and place of their wedding a~~
~~secret,~~ There was quite a crowd assembled ^{at Chelsea Register Office} as the Earl and Countess
of Jersey left after the ceremony --- particularly a crowd of
Press photographers --- Shut up, Cecil! We wish them all good
luck and happiness, as they drive away to the bridegroom's home,
Osterly Park.
