DUKE OF CONNAUGHT.

LONDON'S LORD MAHOR.

A distinguished visitor at the Royal Military College, Sandhurst --- His Royal Highness the Duke of Connaught inspected the selution of the British Army At the seluting base the gread old men took the salute as the parade marched past. PRESIDENT HOOVER. John Mark fail - a chalant for morning from The China War Zone arrives the American luxury liner President Hoover. This ship, which brought American refugees from Shanghai, was accidentally bombed during a raid.Repairs were effected in a Japanese port

London --- One of the city's ancient ceremonies in connection with the election of the new Lord Mayor. The retiring Lord Mayor, Sir George Broadbridge, with the Guildhell to St k Lawrence Lowny with his successor Sir Harry Twyford. FISHING.

Oregon --- out of the beauty of the Celilo Falls comes a harvest for the Indian. By an old treaty with the palefaces, the braves **EXE** hold the fishing rights here, and as fast as they can net them or hook them, up they come. The run lasts for about three days only, and the fishermen toil without ceasing to make the

most of it
