

395-
LAUNCH.

Lake Michigan --- the largest freighter of the inland waterways, christened by a pretty lady. ^{was} The ship/ ~~is~~ named Red Crown, and slipped insideways like a fat man getting into a bath.
WATERPROOF FROCKS.

London --- two ladies about to indulge in tea and lemonade, had the distressing experience of meeting a clumsy waitress. But they didn't mind because they were demonstrating a new material, which is proof against ~~such~~ accidents. They even went so far as to throw ink at each other, and fearing the party was about to get rough, our cameraman roved on.

JUDGE. BLACK.

Virginia --- Supreme Court Judge Black welcomed home by the newshawks. After being appointed to his high office by the President, he was accused of membership of the Ku Klux Klan. The Judge was willing to pose for a picture, but refused to make it a talkie.

MUSSOLINI JUNIOR.

Culver City --- Vittorio, son of Signor Mussolini, has been recalled from ^{America.} ~~Hollywood~~ But before he left he created a Rome-Hollywood axis with our gang.
