

MAIA PLANE.

Rochester ---the famous Maia plane came out into the open for the first time with its two parts joined together. It is a giant flying boat which carries a small seaplane on its back. The seaplane will be launched in mid-air, thus enabling it to carry a big load of petrol for long-distance flights.

SCOTS IN MONTREAL.

Montreal --- the Royal Highland Regiment, the Black Watch of Canada, celebrated its 75th anniversary with a march through the streets.

TOMMY FARR

Southampton --- Tommy Farr came home from his great attempt to win the world's heavyweight title in America, looking none the worse for it or for his arguments with his manager Ted Broadribb. ~~we asked him about future plans.~~ Now tell us about Ted Broadribb.

~~What about your future plans?~~

What about your plans for the future?

Are you glad to be back home?

Well now - there's just one more question, boy, what do you think of Ted Broadribb?
