MAIA PLANE.

Rochester --- the famous Maia plane came out into the open for the first time with its two parts joined together. It is a giant flying boat which carries a small seaplane on its back. The seaplane will be launched in mid-air, thus enabling it to carry a big load of petrol for long-distance flights.

SCOTS IN MONTREAL.

Montreal --- the Royal Highland Regiment, the Black Watch of Canada, celebrated it 75th anniversary with a march through tthe streets.

TOMMY FRER

Southampton --- Fommy varr came home from his great attempt to win the world's heavyweight title in America, looking home the worse for it or for his arguments with his manager Ted Broad ib.

we asked him shout future clans. Now tell us about Ted Broadribb.

hat about your plans

Que you glastobe back,
