ARMY AND NAVY PARADE IN U.S.

Full military honours, for an army mule. Jack is betiring from mammarable service with the Sixty-second Coast Artillery, and they held a parada special parade for the occasion.

The best parada for the occasion.

That was New York. And off the coast of California, Uncle Sam took out his fleet for exercises in EXEMPTERIES celebration of Navy Day. Mighty men o' war, on the march. Our flying cameraman gives you the most spectacular pictures of naval manoeuvres ever seen. And finally, the EXEMPTERIES air arm throbs overhead the eye of the Navy in the clouds.
