

HAIR FASHIONS.

You may have a wind-swept coiffure in the summer with shorts or a bathing costume, but winter is theatre and dance time --- and your hair must be just so ~~--- when you appear, anyhow.~~ ^{The latest fashions designed to keep} ~~Plumes~~ ^{recall the elegance of a forgotten age,} ~~and they make a beautiful picture to adorn a dressing table for a lonely bachelor.~~ ^{the Flies of the honey -} ~~all~~

And now a few fashions in cars. The sides let down to assist your appreciation of the beautiful upholstery --- and a great feature of the cars this year is the attractive accessories. Latest of all models comes from Indianapolis, where farmers have tractors that will travel over any ~~sixxxxx~~ kind of surface, be it ploughed field or macadam road. And they go fast too. Too fast, apparently, for the speed cop had him. But if he saw him go amphibian a little while later he'll arrest himself for being drunk.

MUSSO.

A mass meeting of 100,000 Italians was held in the Forum Mussolini to celebrate the sixteenth anniversary of the Fascist March on Rome. Il Duce was greeted with the usual enthusiasm, and it was during this speech that he made the statement that the restoration of African colonies to Germany was an essential condition for lasting peace. Mr Eden, Britain's Foreign Minister made in the House of Commons a statement no less important.
