

PICCADILLY TRAFFIC LIGHTS.X

406  
of the arm of the Cam is something

Piccadilly --- the police are becoming mechanized, This unique picture of traffic at a standstill on the hub of the universe, was obtained when the change over was made from real policemen to ~~xx~~ traffic lights for directing traffic. Police will now have more time to be wonderful to visiting film stars.

CHINA WAR.

China --- Japan's war machine drives on. China's defending troops hold their ground desperately before the onslaught of the foe who penetrates deeper and deeper yet into the interior. Cold steel, guns and bombs --- Japan tries them all --- and the ~~flames leap over skyward.~~

death roll mounts even higher
