CAPE FLIGHT.

Congratulations to Mrs Betty Kirby-Green and Flying Officer Clpuston who have reached Capetown one day twenty ~~four~~ one hours after leaving Croydon. The record ghey beat on the outward ~~flight~~ trip was held by Amy Mollison. Mrs Mollison flew the 7,000 miles in three days, six hours, twenty six minutes. The new record lowers that time by thirty-~~three~~ hours. When Mrs Kirby Green started on the flight it was said that she hadn't a chance --- but she came through with flying colours --- and flying records.
