Chelsea in dark shirts came out first to show their crowd of supporters how to keep the Wolves from the floor. The Pensioners had not been beaten at home this season, but Wolverhampton ~~naturally~~ naturally hoped to alter all that. Now watch an exciting piece of play. The ball goes up -- Give me a sweet, quick! Watch it! Sssshoot! S~~l~~osh! Well saved, sir! Chelsea are on their mettle now, and a pretty bit of passing got the ball in the goal, but it was offside. Deep depression over Pensioners! Chelsea failed to score at all and Wolverhampton netted twice to win 2 e nil. And what do the police do about it? Nothing!
