FATHER XMAS AT SEATON DELAVAL.

~~xxxxxx~~ Modern Father Xmas forsaking his chimney, swooped ^a
 down from the heights in ~~a~~ plane and landed at Seaton
 Delaval. He was piloted by Flight-Lieut Allison, a member of
 Newcastle Aero Club. In spite of the freezing weather, an
 enthusiastic crowd of 4000 children from the collieries, ~~we~~
 mobbed the plane to greet Santa Claus on his arrival. This was,
 by the way, the 12th consecutive year of his visit, and he led
 the procession to High Street. Here he distributed barrels of
 oranges and apples to the delighted youngsters. Hello'.
