GOFF.

Golf under ideal conditions --- the Miami Biltmore tournament at Coral Gables produced sparkling ~~play~~ form against a background that makes winter seem ~~only~~ a nightmare. Sam Snead is an up-and-coming golfer who didn't come off this time. It was Johnny Revolta who produced the fireworks. Johnny won the 2,500 dollar prize with a score of 282 --- and this is one of the reasons why. Now back to winter. Yellowstone Park authorities decided to reduce the size of the Buffalo herd, and ~~this is how they rounded~~ ^{had them} ~~them~~ up. Those that had to be slaughtered were sent to the Red Indian reservation nearby --- so the brave nowadays has his hunting done for him by the paleface.
