

HORE BELISHA.

421

Woolwich Arsenal --- Mr Hore Belisha arrived to inspect the place where the guns are made --- and our roving cameraman secured these exclusive pictures inside the secret city. From the Crimea veteran to the modern light gun and right through to the huge naval guns --- Mr Hore Belisha saw them all. / Britain's energetic Secretary of State for War selected one of the biggest and took a look down the hole. --- Like Ajax defying the lightning. / Good heavens --- what was that? /

#### SWIMMING AND DIVING

Florida --- the start of the swimming and diving season. . . . . an exhibition of skill at Coral Gables. Ruth Holger does a graceful somersault. / And now a springboard artist. / Feature of the swimming --- a school of lovelies in mass formation, ~~but~~ and then America's No. 1 girl athlete was made an honorary colonel. Gad, sir --- which way ~~is~~ is the war? ~~Hya Babe?~~

#### KNATCHBULL HUGESSEN.

*auth the exclusive*  
London --- Sir Hughe and Lady Knatchbull-Hugessen interviewed in their hotel on returning from China. Sir Hughe, when British Ambassador, was seriously wounded by bullets from Japanese Planes. Congratulations, on a return to health ~~and~~ *after* an amazing escape from death. /
