

GIRL PILOTS.

Romford local girls are making good in the world of flying, receiving instruction to qualify for their A Certificate. They all want to be pilots. ~~It is not a contact net. I suspect!~~ But joking apart these girls are said to be quicker at picking up the technicalities than the average man. If you don't believe that ~~xxx xxxxxx~~ any girl will tell you it's true. ~~xxxxxx~~

Curiously enough, America seems to be recruiting women for the Army, but whose army we don't know. ~~xxxxxxx~~

~~We might try out the idea in Britain.~~ Mr Hore Belisha wants to make the ^{British} Army more attractive. Let him try this for trooping the colour, and make even the horses shy. ~~xxxx~~
