

NAVY BOXING.

427

Long Beach --- President Roosevelt plans to build the greatest Navy the United States has ever had --- and that lends a topical touch to these fighting American bluejackets. The Fleet's in --- and they're trying to find the champion leather-pusher. In case you want to know, a sailor named Grimes K.O'd a sailor named Molyneux. Roosevelt wants to spend a hundred and sixty millions on his Navy --- ~~don't talk it about!~~

*and look at the damn thing now!*
