

CRUFTS DOG SHOW .

There was a record entry for Cruft's this year and every breed of dog was there although some wanted to leave early. Among the new breeds were the Harlequin Pinschers --- the only dogs of their kind in England. Altogether there were nine thousand champions interested, plus one who was not interested.

U.S.DOG SHOW .

In America they've had a dog show too, but it's really more of a mannequin parade.

RABBITS.

And now it's rabbits --- rabbits and hares of all kinds, even cannibals. With these creatures it's hard to say if they're talking scandal or going to sneeze. But now back to the Dog Show. After a hard day's work, it's grand to get home to the little woman. Good-night all.
