

WOOLWICH.

Woolwich --- His Majesty the King paid a visit to London's famous Arsenal where secrets of Britain's latest armaments were revealed to him. There was a ^{specially} ~~more than usually~~ warm welcome for King George here, for it was the first visit by a reigning monarch for 22 years.

CABINET MEETING.

London --- Mrs Neville Chamberlain is not in the Cabinet, but our Roving Cameraman snapped her ~~arriving~~ at No. 10 ~~Downing Street~~ on the day of the Cabinet Meeting. And here is the Premier ready to join in the discussions on Austria, ~~relations with~~ ~~the~~ ~~Government~~. Mr Hore Belisha was smiling broadly as usual when he arrived, and he was followed by Lord Hailsham and Sir Kingsley Wood. When Mr Anthony Eden arrived he was greeted with applause from the onlookers.

ASQUITH WEDDING.

Berkshire --- at the church of All Saints at Binfield --- a wedding in the snow. [^] The bride was escorted by her father, while the chauffeur acted as trainbearer. The bride was Miss Diana Battye and the groom was Mr Michael Asquith, son of Lady Cynthia Asquith. A happy augury for the wedding was the weather --- it changed for the better during the marriage service, and when they left the church it was set fair.
