

HOUSEBREAKING.

St Louis --- a new method of housebreaking. A ball of stone that weighs three tons is swung against the building to be demolished. This ~~building~~ happens to be the Post Office, and it cost four and a half millions dollars to build. Ordinary demolition methods would take a year --- this way takes three weeks.

ISHBEL MACDONALD.

London --- Exclusive pictures of the elder daughter of Mr Ramsay Macdonald and her bridegroom Mr Norman Ridgeley, taken at the Macdonal home in Hampstead immediately after the wedding. The name of Ishbel Macdonald attracted a crowd of Press photographers for snapshots of the happy pair¹

LAUNCHING A BRIDGE.

New York --- a structure to become part of a floating bridge at North Beach Airport, launched like a ship. Three hundred tons of steel --- and there she goes.

MR JOSEPH KENNEDY.

~~From the~~ ~~new~~ ~~A~~ new Ambassador to Britain --- Mr Joseph Kennedy. G.B. News interviewed him on his arrival at the American Embassy

What about your family of nine, Mr Kennedy?
