DEC:

SCOTLAND V IRELAND AT MURRAYFIELD.

Ireland took the field first when they met Scotland in an exciting game at Murrayfield. Scotland took the lead when Forrest scored but the try was not converted. Then Forrest ran through and scored again. 'Cheer up', lassie, it's only in fun!—and the try was converted. Ireland put on pressure, and scored, but failed to get a goal. The crowd went wild with excitement, and after further scoring, Scotland won by 23 pts to 14.
