VILLA W MANCHESTER CITY.

Crowds were so thick at Villa Park the gates were closed long before play started --- and here's at least one spectator who didn't see much. It was a great that proved to be worth seeing, although there was no seere in the first half. Aston Villa are the team with light sleeves. They drew first blood with a goal from Broome. After another home-team goal, Manchester replied with one from Doherty. Then came a third goal for Aston Villa and they went into the semi-final for the fourteenth time. .3-2.

Another record crowd on the York City ground --- including Lord Halifax. Gallant little York City have been the surprise packet of this year's Cup Ties. Playing at home to Huddefsfield --- Huddersfield are the team in stripes --- they forced a replay with a goalless draw Good though the attack we was on both sides, the defence was better but best of all was the attack on the end by the crowd.
