BRENTFORD v PRESTON N.E.

This Cup Tie brought a record crowd to Griffin Park. Preston came out first amid the usual excitement, followed by Brentford in red and white stripes. The home side won the toss and Preston kicked off. Almost immediately Brentford went into the attack and the visitors' goal was bombarded. But this was a day of sorrow in the south, for London went out of the Cup. Preston came on with a rush and Beattie scored their first. Four minutes later Beattie scored again, and Preston eventually won three - nil. Brentford supporters thought it was murder but could only hang their heads.

Don't look now - but I think  
it's D. D.
