

CYCLONE DANNY.

437

Cyclone Danny at High Beech is about to perform the most hazardous trick ever attempted on a motor cycle --- riding through glass and flame --- ~~and it's~~ the first time it has ever been done with a pillion rider. Now watch them go /--- and watch that wobble -----

2
That was a G.B. News exclusive picture --- and you'll be relieved to hear that they're all right. /
