

MARDI GRAS.

438

New Orleans --- 111th anniverasry brought crowds into the ~~xi~~ city for the annual celebration of Mardi Gras. Momus, god of mockery, led a dazzling parade through the night. The original Mardi Gras in Paris celebrated the end of Lent with a fat ox parading through the streets; but this is New Orleans and instead of a fat ox <sup>it's this</sup> ~~they do this.~~

CHANGING GUARD.

Edinburgh --- in the sombre precincts of ~~Edinburgh~~ <sup>to current</sup> Castle our Roving Cameraman filmed the changing of the guard by the 3rd Battalion Gordon Highlanders. Scotland is likely to occupy a good slice of the Empire's news for some time to come owing to the Empire Exhibition, so kilts and pipes will come into their own.
