Croydon --- an air liner brought to Britain a distinguished visitor from America --- He is Mr Hoover, <sup>the</sup> former President. Mr Hoover has not been to London since 1919. In a tour of Europe, he has now come over to visit friends --- and we are pleased to welcome him.

DART PUFFERS.

London --- Here is the first dart-puffing tournament ever held, and quite a lot of famous people took part in it, including Jimmy Wilde, Jack Bloomfield and Bobby Howes. It can't be very good for the shape of the mouth, but imagine what it's like to be kissed by an expert. ~~Mr Hall of Darlington was the winner --- but look what it does for you!~~

CLOUSTON AND RICKETTS.

Australia --- Flying Officer Clouston and Victor Ricketts made a magnificent flight from Gravesend to Sydney, but just failed to beat the record of C.W.A.Scott and the late Campbell Black. Undaunted they began their return flight within twelve hours, attacking the record back to England.

WOMEN'S ICE HOCKEY.

Harringay --- our Roving Cameraman saucily roved into the dressing room before the Women's Ice Hockey International. ~~But he really went to watch the hockey.~~ ~~found them putting on the top layer of protection.~~ It was a match between the ladies of England and France, which England won ~~by 3 goals to nil.~~ ~~and a goal~~

by 3 goals or a nose dive!
