JOHN COBB.

Brooklands --- John Cobb introduces the car with which he hopes to take the world's land speed record. ~~The car has two engines --- one driving the front wheels, one driving the rear~~ --- ~~and~~ The rear wheels are set close together to give perfect streamlining. It is water and ice-cooled and the driver sits in front --- hoping to travel at six miles a minute. The car has two engines — one driving the front wheels, one driving the rear.

HOOVER.

New York --- Mr Hoover, former U.S.President, talks of Europe on ~~his~~ returning from his recent tour.

QUEEN MARY.

Wales --- Continuing her ~~xxxx~~ tour of South Wales, Queen Mary visited Pontypridd and Cardiff. ~~At Pontypridd Her Majesty stopped at the Y.M.C.A. and presented parcels to unemployed and distressed folk in the district.~~ At Cardiff the Queen Mother paid a visit to the National Museum ~~of Wales~~. Later in the day there was a command performance at the Cinema, where her Majesty received a bouquet. The performance itself included ~~some dancing and~~ an impersonation.
