VARSITY CREWS IN TRAINING.

Getting ready for the Boat Race --- yes, the new year is well under way. That annual sweat-factory between Putney and Mortlake is not so far ahead. ~~Now~~ ^{are} The Cambridge crews ^{are} training on the Cam. ~~From these~~ eight men and a little one will be chosen to uphold the Light Blue Honour.

Over to Oxford --- the Isis is the spiritual home of Dark Blue oarsmen. ~~Now~~ Two crews are training --- it's too early yet to make a final choice. But our cameras were favoured with good weather, so we present these attractive pictures of ~~the~~ Oxonians at work. You may as well start arguing now as later as to which lot seems to be the better on form.
