

LOG ROLLING AND DUCK HUNTING.

They call it the sportsman's show --- because everything has
It finishes in the old, old way
 a sporting chance --- even a log-roller and here's something
 new in sport --- a fight at sea --- on my right, Donald Duck!
 Come on, big boy! On my left, Rolling Rollo! Get him, boy!
 Watch him, Donald --- Duck! Dam my whiskers --- where's he gone?
 There he is --- duck! Now where's the darn' thing gone?
 Come on, Rollo --- good dog! This way --- no, that way --- there!
 Ah, you old fool! No, he's over there!
