GOVT. CHANGES.

Mr Chamberlain has resigned from the Government --- a man of peace whose failure to maintain peace left him broken in health. Mr Ernest Bevin steps up into the War Cabinet --- an event of supreme importance. Sir Kingsley Wood also goes to the War Cabinet. ~~Mr Herbert Morrison goes from the Supply Ministry to Home Security~~ *and the Lord ...* ~~...~~

AIR CRAFT CARRIER.

Here is an aircraft carrier --- recently completed and added to the strength of the Royal Navy. I can't tell you its name or where it is; and I don't know the secrets of its construction or performance. But we can all have a good look at it.

NAZI PLANES.

X Not all the Nazi planes shot down in Britain are smashed to bits. Here are some which have made forced landings --- captured more or less intact. As long as we get them down it doesn't matter much how. But for anybody who has been bombed or machine-gunned --- this is a beautiful sight.
