

## BATTLE OF BRITAIN HEROES.

Intense aerial attacks in the past weeks have wrecked a lot of familiar buildings and caused many casualties. But they have also found heroes among the ordinary men and women of Britain. Miss Sonia Straw is one of the first women to be awarded the new decoration --- the George Medal. She is an Air Raid Warden. First man to receive the George Medal is Air Raid Warden Patrick King. Both risked their lives in the course of duty. The George Cross and British Empire Medals have been awarded to members of the Bomb Disposal Squad who removed the one-ton time bomb from St Paul's Cathedral --- They were led by Lt Davies, awarded the George Cross.
