Universities defeat Japan-

~~/~~International football occasion at Southall, when a first-ever visiting Japanese Universities soccer team met a side raised from all the Universities of Britain.

After kicking off, the ~~HOME~~^{HOME} team (playing in white shirts) - quickly went into the attack - but ~~xxxx~~^{Jap} found a spirited/defence

British Universities scored their first goal through inside-right Welsh cap Phil Woosnam. And Goal No 2 quickly followed from a ~~xxxxxxx~~ well-placed shot by left-winger Brian Harvey.

The second-half-- and with their backs to the wall, the Japs were tough in attack - but not so tough as their British opponents - who, with five internationals - ran out winners by 2-0.

And away in New South Wales - the third international test - between Australia and China - was fought out at Sydney - ~~BUT NOT WITHOUT INCIDENT~~

Then the Aussies started to attack in earnest - and smart work by Robertson led to a goal for Australia.

China replied with ~~xxxxxxxxxxxx~~ a determined assault on the Aussies goal - and centre forward Lee Chun Fat ~~xxxxxxx~~^{crashed} a fast one into the net - TO MAKE IT A DRAW
