

A great British industry goes on show at Earl's Court, with a record ~~total~~ post-war total of cars on view. - ~~While~~ The covers come off many new models - including the Rover "Farina" - a drop-head - that is tried out by Sir Edmund Hillary, the Everest climber.

Here's the Riley "Pathfinder" saloon - one of the many cars credited with ~~100~~ **HIGH SPEEDS**

~~Another famous name is the~~ the Jaguar 3½ litre saloon ~~the product~~

Yes, the competitive field of racing brings reliable ~~see~~ sports models - the New Triumph.

The Austin-Healey - ~~holder of~~ **HOLDER OF** ~~over~~ over 100 stock-car records.

The Singer - with an all-plastic body - ~~the~~

But it's the cheaper cars that make a splash - the new Ford "Popular" - which, at under £400 - tax paid - becomes the cheapest car in the world.

The other famous names, too, take on a new look - ~~see~~

From the Morris stable comes the ^{MINOR} "Estate Car" - with its roomy interior - ready for hard work.

Seven Nations are represented at the Show. From France comes the ~~new~~ Renault - ~~complete~~ with a rear engine - ^{that} a popular Continental innovation.

The "Austin" Baby is ~~the~~ fully-equipped saloon which seats four... Not forgetting room for an extra one in the boot.

Yes, it's a show to see - but like comedian Norman Wisdom - you're sure to lose your head over one model.

Every motorist will agree its a smashing show - though in a different sense to what Canadian motorists meant at a recent show in Toronto.

LET'S HOPE WE SEE BETTER BEHAVING ON OUR ROADS WITH THOSE NEW MODELS NEXT SUMMER.
