## Loughborough Carnival Ball --

oct 20th. 153.

A beacon arrives in the Midlands, as Loughborough's ensel Carnival Week opened, with the arrival of the 1948 Olympic Torch, which had been brought by a relay of runners -- II2 miles from Lohdon.

and in the Town Hall-converted for the occasion into a giant wine cellar- the revellers got merry- bubbleof over with good satisfies spirits, retains with in the creaks

Though past Carnivals have had their rull heasure of success- here, in Coronation Year, came the crowning achievement, as joy was unconfined a good cause.

Loughborough has always been xxx famous as a huntin' centre -- but this year it's dancin' - with a vengeance!

Loughborough's Arts Ball has mained a big reputation in the past-- 1953 has broken all records. But not- we hope- the floor of the Town Hall.
