

Roving Camera--

Dec 11th. '53.

Bomber Flight--

California-- where heavy jets of the 92nd Bomber Wing, U.S. Air Force- prepare for a long journey to Britain, for twelve weeks of overseas training. Some planes will fly non-stop- ^{in a} ~~for the~~ move ~~has been~~ designed as an exercise in trans-oceanic flight.

Tornado -

^{Mississippi} ~~America~~ ^{Southern States} ~~again~~-- where tornadoes, slashing their way across the ~~country~~, struck the historic market-town of Vicksburg, ~~Mississippi~~ with catastrophic force. ~~Christmas shoppers were caught unawares, as the "twister" rip-roared its way through the crowded streets.~~ Collapsing walls accounted for 30 deaths, while over 250 were seriously injured during those minutes of terror. But Red Cross workers were soon on the spot, to help in cleaning up- after a disaster that left Vicksburg reeling.

Helicopters in Malaya-

Malaya-- where our Security Forces embark in helicopters, to engage Communist terrorists, who lurk- hundreds of miles away- in their jungle hide-outs.

These American-built ^{hovercrafts} ~~crafts~~ of the Royal Navy lift men and ~~weapons~~ weapons far above the jungle, ~~bringing~~ bringing them fresh ^{to} ~~to~~ their fighting task.

And down ^{they} ~~come~~ come - alighting on the landing strip with pin-point accuracy - as the helicopter ~~carries~~ carries the struggle deep into the heart of ~~the~~ tropical forests.

Nixons -

India-- where, during their tour of Asia, America's Vice-President and Mrs Nixon visit the Taj Mahal- India's most famous architectural monument. ^{By} ~~Here~~ the great tomb, built as a memorial to a Mogul Emperor's wife, western travellers learn ^{something} of the cultural heritage and mystery of the East.
