Where there's a cup-tie, there's a train journey" for Tottenham fans. This one at Boothferry Park was <sup>THEIR</sup> seventh successive ~~away~~ tie away from home. No wonder they said "There's no place like Hull!"

First out were the home side - battling Hull City - ~~and~~ "The Tigers" to the fans...)

(in white shirts) .  
Then the London side, and this was their first cup-tie meeting for nearly fifty years...

~~xx~~

The Spurs kicked off - and went into attack - striving for that early goal to nullify Hull's ground-advantage.

Then, after only three minutes, came tragedy for Hull - when outside-right Ken Harrison was carried off with a fractured knee-cap.

Hull reduced to ten men; but as ~~usually~~ usually happens - ten fighters - men ready to fight to the last ditch and the final whistle.

Well into the second half - and only after sixty minutes did the Spurs crack that <sup>STERLING</sup> ~~heroic~~ defence. ~~Early~~ A shot from Bailey hits the post and Bennett <sup>BANGS IT HOME</sup> ~~hits home the rebound~~.

ck came Hull - striving to save the game, fighting for a second chance ~~at~~ at White Hart Lane with a full team.

Only seconds to go - then fullback Jensen comes up in a last despairing effort. And he's brought down - just inside the area. The Referee's on the spot - a penalty.

And Jensen saves the day - a one-all draw.

~~Hull~~ Hull's heroic fight against odds had earned them a replay - and whether they win or lose - those fans are proud of them.
