Lord Mayor of Leeds with K.O.Y.L.I-

May 18th. '54.

**BERLIN** Leeds--- On parade at Wavell Barracks, ~~a Guard of Honour~~ of the 1st Battalion- the King's Own Yorkshire Light Infantry.

The occasion was an inspection by the Lord Mayor of Leeds, who had come to bring civic recognition to the men of a famous battalion, whose name is a household word in Yorkshire military history.

On the next day, at a ceremonial parade, the Lord Mayor took the salute <sup>as the Battalion marched past</sup> at ~~a March-Past~~ -- with rifles at the trail- like all good Light Infantrymen

Now at the double- the King's Own <sup>Yorkshire</sup> Light Infantry pass in review-  
- worthy upholders of a fine County tradition.
