yal Tournament

don: As Patrons of the "Royal Tournament" the Queen and the Duke of Edinburgh attended this Annual Services display - where one of the highlights was the Musical Drive of the Royal Horse Artillery. And Despatch Riders of the Royal Corps of Signals performed wonder feats of balance.

Solo tricks, too, for often on active service - riders have to go through the hoop - and indeed, through fire and water, to get that vital message through.

Mr Attlee in Sweden

Sweden: The tiny village inn at Röst Anga has famous visitors - Mr and Mrs Attlee, who with the Danish Premier, were the guests of the Swedish Prime Minister, Mr Tage Erlander.

Mr Attlee had travelled on from Denmark - where he had attended a Constitutional Day Rally - for this ~~information~~ meeting in South Sweden.

Japanese Riots

Tokyo: Angry scenes in the Japanese Parliament - described as a Conflict of opinions, held by Conservative and Labour representatives. Soon - the formality of ordered debate is replaced by a fantastic "free-for-all" Before the violent law-makers were separated - there were fifty minor casualties - and Oriental calm became another Japanese legend.

Rocket tests

New Mexico: About to become the fastest man ON earth is Colonel John Stapp ~~the human guinea-pig~~ In rocket tests, designed to gauge the effects of rapid acceleration or deceleration on jet pilots. THE ROCKET SLEDGE TRAVELLED AT 421 MILES AER HOUR. AND ~~The sledge come to a dead stop and~~ automatic cameras film the Colonel's reactions. SCIENCE DELVES STILL DEEPER INTO THE UNKNOWN REALMS OF THE JET AGE. ~~During the tests - the rocket-sledge travelled at 421 miles per hour.-~~
