Atom Bomb alert

Washington: Wailing sirens summon President Eisenhower and the White House Staff to the shelters, during a North American Civil Defence Exercise. In Times Square, everything stops, as, in theory, the City is about to be struck by an atom-bomb, ~~which is~~ <sup>THAT</sup> ~~greater than the~~ ~~dropped on Hiroshima,~~ in World War II.

Within seventy seconds, the birds had the streets to themselves, as the people of United States and Canada smartly learn their shelter drill.

Police Dog training

Kent: A Training school for London's Police Dogs is opened by Sir John Nott Bomer, Commissioner, Metropolitan Police, at West Wickham.

Then, a congratulatory pat for a star pupil, Rex III, who recently "arrested" an armed man?

A demonstration followed, when puppies who will grow up to ~~prevent~~ <sup>HELP TO</sup> prevent crime were put through their paces!..

Since the war, ~~dogs~~ <sup>MAKING UP FOR</sup> dogs have been ~~helping to bridge~~ the shortage of man-power - and you must agree that they make "fair cops!"

~~No doubt~~ <sup>YES</sup> ~~these~~ <sup>PUT UP A</sup> these "four-footed constables" ~~are~~ brave fight against crime.

Baby Boko

Nigeria: A healthy tribute to British medical skill is Baby Boko, in the arms of her mother, the ten months old Siamese Twin who survived the delicate separation <sup>at</sup> ~~in~~ a London Hospital.

Now a bouncing toddler, Boko is not too sure about all this publicity...

~~By~~ ~~missions~~ ~~total~~ ~~of~~ ~~the~~ ~~twins~~ Happy pictures, ~~was~~ taken as the news was announced that a similar operation has been performed on Siamese Twins in Holland, with complete success...
