

Red Cross Parade

London: On the steps of St. Paul's Cathedral, nurses formed the Guard of Honour, when High Representatives of the British Red Cross Society arrived for the Annual Service of Dedication.

Royal arrivals were the Duke and Duchess of Gloucester. The Duke has been Chairman of the Council since 1937... (S)

Regional banners enter the Cathedral - as a great Brotherhood of Mercy re-dedicates itself to the service of mankind.

Spanish bull-fun

Pamplona: It's an old Spanish custom that one day a year the bulls have a holiday - and this is it!

~~It's~~ It's no fun chasing an elusive matador, <sup>so</sup> the lads of the village act as stand-ins...you'll see why later on.... It's too painful to sit down..

Fortunately, it doesn't last long. But from the bull's point of view - everything goes too quickly.

Kite-flyer

CALIFORNIA:

~~California:~~ This is the story of a man who ~~was~~ <sup>SO Tired of WATER-SKI-ING,</sup> ~~was~~ - in fact:-

This water sport was a flying sort;

With the aid of a kite - he thought he might

Turn ski into sky and start to fly..

But then - The law of gravity took a hand

As he flew past the silver strand.

And decided, as you will see

That the place for a ski is on the sea...or under it..

~~our introduction to water skiing...~~
