

U.S. Jet Airliner

^{USA:} Seattle; The Boeing 707 Jet Transport, (the first American challenger to the Comet) is ready for its maiden flight. Two months ago, the landing-gear of the ~~sixty-ton~~^{ninety} ton giant buckled ~~on~~^{during taxi-ing} during ~~taxi-ing~~ tests, but this time - all's well - ~~the aircraft was damaged~~...

A super-speed luxury transport, the Boeing joins the battle for jet-airliner supremacy..

Fire in Wardour Street

London: Real life excitement in Wardour Street, the centre of the cinema industry, with great clouds of smoke and firemen in action at a basement ~~fire~~^{blaze}.

~~in fact~~, All the ingredients, for a screen drama, except that no one was trapped, not even a helpless heroine! ~~THE FIRE WAS QUICKLY UNDER CONTROL, AND NO ONE WAS HARMED.~~ ^{THE FIRE WAS QUICKLY UNDER CONTROL.}

Screen Pioneer

And in New York, relatives and friends commemorate the 100th anniversary of the birth of George Eastman, the famous film pioneer, outside his home at Rochester.

It was in 1888, that George Eastman perfected his first ^{film} camera, and ~~taking~~^{making} these early ~~films~~^{pictures} must have ~~been~~^{given him} some of the most exciting moments of his life. / 5

More pictures with his friend, Thomas Edison, whose experiments led to motion-pictures. WITH AN ISSUE ^{OF} ~~OF~~ COMMEMORATIVE STAMPS, THE U.S. Government, too, pays tribute to the "Father of Modern Photography" / ~~with the issue of commemorative stamps.~~
