

Giant Camera

America: The United States Signals Corps demonstrates its new camera - "Peeping Tom" ~~and~~ <sup>to</sup> this outsize apparatus, distance is no object... The camera is equipped with <sup>a</sup> 100 inch lens and, it is claimed, can photograph objects clearly - up to thirty miles away.../S

To prove its point - this is a picture of New York - taken twenty-one miles away.../

Turkish fashions

New York: A goodwill mission from Turkey brings a display of beauties and fashions to the U.S. Capital...

The styles are the work of students at the Institute of Arts and Design in Istanbul.../

Among the modern collection - works of traditional embroidery are featured - worked in real gold and silver threads, and adorned with fabulous jewelry...

While modern versions of ancient costumes ~~are~~ <sup>should</sup> prove a turkish delight for a sweet Miss!!! /

Speedboat classic

Florida: Grandstand view of a waterborne classic. It's the annual Gold Coast Marathon - with well over two hundred boats of all shapes and sizes competing in a two-day race from Miami to Palm Beach - and back...

In this race, no boats are barred - not even a powered surf-board -

~~including the... ..~~

From the ~~start~~ <sup>start</sup> - the "Bimini bullet" piloted by Howard Abbey and Ray de Rome, ~~some~~ ~~ricocheted~~ ricocheted to victory. / Then they got caught on the rebound. /

Germany-raft-riding

~~Germany~~ From Germany comes a new idea for the holidays - they call it raft-riding. On board, a party of fifty cruise down the River Isar...

Of course, there are bound to be minor mishaps. Once the raft went aground

~~AND,~~ they all got off and pushed.... Then they pushed off - too quickly...

someone was left behind. /

~~Then~~ <sup>Later</sup> came a ride through the raft canal - combining all the thrills of the Big Dipper - with all the chills that result from a good soaking. /

Finally, they reached journey's end - and decided to do the same <sup>TRIP</sup> next

year. Happy waiting, chum!!! /
